New Premium Schedules Coming into Effect 1 March

As the preferred choice amongst the conveyancing community, Stewart Title pays more title insurance claims than any other insurer in the industry. Our premiums are a reflection of the types of claims we accept and the costs associated with paying those claims, as can be seen in our [customer testimonials](#).

While we are proud that so many of you and your clients see how valuable our policies are at mitigating risk and ensuring peace of mind, covering the majority of claims also means that we increase our risk position.

Based on our annual review of policy cover and pricing, we have identified a need to **implement a minor increase to our premiums for residential and commercial transactions which will come into effect 1 March 2021.**

This premium adjustment will ensure that policy holders continue to benefit from extensive title insurance coverage for a small one-off premium. You will continue to receive the same superior coverage, exceptional service and expertise that you have come to expect from Stewart Title.

Policies ordered* on or after 1 March will be subject to the new premium schedules linked below:

- [Residential Premium Schedule \(effective 1 March 2021\)](#)
- [Commercial Premium Schedule \(effective 1 March 2021\)](#)

We thank you for your confidence, understanding and ongoing partnership. Should you require any additional information, please contact your [Business Development Manager](#).

4 Feb 2021

*The order date is the date the policy application is submitted to our office.
