Encroachment of Bore on Neighbour's Land

Stewart Title has a long history of issuing title insurance policies and our financial strength and claims paying ability make us an industry leader. Claims are resolved in a timely manner through a professional, practical and result-oriented approach.

Below is a real life claims scenario handled by our Claims Team:

The Scenario

- ▶ Insured purchased a residential property in Thornleigh
- ▶ Several years after settlement, the insured obtained a survey and approached the neighbour to replace the old boundary fence
- ▶ The survey revealed that the boundary fence was not on the boundary and that the bore which serviced the insured's land was actually located on the neighbour's land
- ▶ The neighbour required the bore to be moved so that the new fence could be located on the correct boundary

Claim Resolution

- ▶ Stewart Title accepted the claim under the Policy
- ▶ The insured obtained a quote to remove the existing bore and construct a new one on the insureds' land
- ▶ Stewart Title paid the insured the amount of \$8,500 to carry out the works
- ▶ Premium paid: \$363
- ▶ No excess
